## STRATEGY AND FUNDRAISING

ABSOLUTE RESOURCE DEVELOPMENT

## RESTORE OKLAHOMA 2021-2022 OBJECTIVES

Restore Oklahoma aims to be the Oklahoma Super PAC that will fund these primary objectives:

- 1** Assemble an active consortium to defend Oklahoma against egregious Biden policies
- 2** Proactively recruit and support the best candidate for State Superintendent of Public Instruction
- 3** Be ready to promote and/or defend statewide and federal candidates who could benefit from outside support

## BACKGROUND AND RESEARCH

During Restore Oklahoma's successful campaign in 2020 which helped flip Oklahoma's CD-5 back into Republican hands, the two common themes we heard from supporters were "Republicans always get caught flat-footed and are not proactive enough." By establishing a stable and consistent entity with a strong and geographically diverse Board of Directors, we will have the ability to be fluid and decisive in addressing the above priorities. Our advisory team includes strategists and fundraisers with extensive, national and Oklahoma-specific political and issue advocacy experience. With superior planning and the right leadership, we aim to be proactive and ready in Oklahoma moving forward.
